We Moved!

Our office moved to a new location, in Hempstead NY. This facility will allow us to better serve our clients and provide enhanced support services to both them and their providers. The facility includes multiple therapy rooms for concurrent center-based therapy sessions, among other features and benefits. Please contact us if you would like to see our new space, and start bringing your child in for center-based services.

Congratulations Steven, Joyce, Brittany, and Amaris!
(Sorry we missed you, Amaris!)

Recently, we have welcomed in a new employee! Here are some fun facts about Sophia . . .

"I am entering my second year of my Masters program in ABA at Queens College. I am excited to work at BIPS to gain more knowledge in ABA and apply it to the world around me. I look forward to the planning meetings and presentations set forth by the other staff members, as I know I can learn a lot from others' experience."
